

SPECIAL VALUES IN RAINCOATS

As an all around garment the Raincoat is becoming more and more a necessity. How comfortable a garment of this kind on a rainy day—on a dusty day—on a windy day for riding or walking. Then, too, they are made up in such pretty cloths that they serve nicely for a dress garment and are good thruout several seasons.

Here's the best one yet, made from Priestley's Cravenetted English Rosberry cloths. Their particular weaves permit of such extraordinary "cravenetting" that they are not only **spot proof** but **absolutely waterproof**. They are serviceable and wearable in all climates, all weather and at all times and they will never lose their waterproof quality or handsome silk luster.

A larger range of styles than we have carried before are now in our stock at **\$15.00**. Then there are the Rubberized Coats that have won such popularity in styles that are different and of the new patterns in silks. Prices from **\$10.00 to \$20.00**.

We are getting more new Suits nearly every day, Suits with new touches of style that have recently caught on to the popular fancy. Some very special values at **\$12.50 to \$18.00**.

The Homer Fitts Company

A Colored Season

It's going to be. So we have made preparations for it with Ties and Pumps of the following colors in Suede Leather:

Y. for some time.

Base ball practice has been held every day during the week when the weather permitted. The number of candidates is enough to make two good teams, and lively games are had nearly every afternoon. The first scheduled game will be next Tuesday with J. A. C. The game will be called promptly at 4 o'clock. Admission will be 25 cents and no one will be admitted to the grounds without paying the admission fee. We plan to give the public some excellent games during the spring. The team will do well if it wins half of its games this year, as all games arranged are with exceptionally strong teams. The bleachers on the third base line are going to be built and the crowd will be kept back from the diamond. First game Tuesday afternoon at 4 o'clock.

GODDARD SEMINARY.

Program for Alumni Day Promises to Be Very Interesting.

The program for the exercises on Alumni day is well under way and it proves to be the most interesting one to the city people that has been presented for years. Rev. Charles H. Wells, '90, of New York City has accepted the invitation to deliver the oration, and Mrs. Eva Skinner Blake, '79, of Meredith, N. H., has consented to write the poem for the occasion. The members of the program committee are much pleased that people of such marked ability have consented to take these parts in the alumni exercises of June 10.

Word has been received from Alvah Glover Salmon, who is to give the lecture recital on Russian music, April 28, that he will have his own grand piano shipped to Barre for the occasion. The press notices received show that this recital will be the best musical event that has been in Barre for many years. We wish to make it possible for every piano student in the city to attend and on this account make the following proposition: any piano student who will sell four tickets to the recital will receive one ticket free. Tickets will be secured at the seminary.
